Share your story via

We encourage your family to get creative, draw a picture, write or play a song, or become a talk show host and record your Cuban family interview around the house. Share your creations via social media or e-mail (casacuba@fiu.edu), as we will feature what Cuban families are doing at home through our virtual ventanita. Make sure to use the hashtag #EnCasa and tag us using the handles listed below. *Make sure to follow us via Facebook and Twitter as we share stories #EnCasa!*

Follow these simple steps:

1. **Upload** the video, drawing, or picture to your social media and use the hashtag #EnCasa con CasaCuba.
2. **Tag** CasaCuba using the corresponding handle:
 - o Facebook: @CasaCubaFIU
 - o Twitter and Instagram: @CasaCuba_FIU
3. Show your friends and family by hitting the **share** button.

If you choose to make your #EnCasa story via video, here are some tips to help you record your story:

- Choose a location in your home that is well lit.
- Gather around members of your family to answer the questions.
- Make sure to test your video and audio before recording.
- Talk about what you will say, assign parts of the story to any participants.
- Rehearse it a couple of times on video to see how it looks to you.
- Try and use a stand or tri-pod to keep the camera from shaking too much.
- Keep your video under three minutes.
